Tuesday - 15 January 1952

1. Mr. Wisner called to say that he had received a call from Congressman Blatnik, who wished to discuss some matters with him. Mr. Wisner informed Mr. Blatnik that if it could possibly be done he would appreciate Mr. Blatnik's discussing the matter with Mr. Pforzheimer, and I have arranged an appointment with Mr. Blatnik for 16 January.

STATINTL 2. Mr. Houston, Col. Hansen and I talked with [] STATINTL
[] of Personnel, who was an employee of [] during STATINTL
STATINTL Senator Butler's campaign in Maryland. The FBI is now interrogating
STATINTL [] on his part in that campaign and desires a signed statement
from him. [] feels that he should have counsel, and we are under-
taking unofficially to attempt to secure competent private counsel for
his guidance.
